## NEW APC Introductory Courses!

The Advanced Plumbing Certificate program is designed to provide a "next step" beyond apprenticeship for licensed plumbers. If you have questions about the APC program, contact Karen Morgan, state Bureau of Apprenticeship, 608-266-3133. Information on APC registration will be available at the S&B continuing education classes listed below, including a chance to signup and pay fees.

Plumbing Materials and Natural Soil Treatment Systems are two academic classes required for the technical APC tracks. The introductory S&B con. ed. courses will prepare the student for the full APC class in each subject.

**"In Depth In Situ Soils Review, aka part I of Natural Soil Treatment Systems"** Basic soil morphology, soil treatment, soil limitations, soil report completion, interpretation and use, soil modifications

## Online Computer Plumbing Ed in March

If you have a computer with Internet Access (56k modem or faster) and a Web browser, you can connect to an online interactive education class about the 2004 plumbing code changes. You'll need a separate phone line and telephone for the (toll-free number) audio portion of the presentation. The two-part class will be Tuesday, March 29 and Wednesday, March 30, 2005 from 7 to 8:30 p.m.

Go online to sign-up to receive an email in the near future about the class details and online registration, <http://www.commerce.state.wi.us/SB/SB-DivContinuingEducation.html>. S&B will be assisted in this first-time project by the UW Extension. Three credit hours for MP, JP, MPRS, JPRS, Comm Plbg Insp., UDC Plbg Insp. Cost - \$60
